Dear Mr. Kelman,

Re: Removal of your and Veritox, Inc's, fraudulent liens on my property and the need to shut the doors to your illicit interstate enterprise, Veritox, Inc.

Enclosed is a letter to the American College of Medical Toxicology (ACMT). It is a request that they sunset their mold position statement which promotes your scientific fraud over the mold issue. As ACOEM and AAAAI no longer are selling your "garbage science", ACMT is the last "learned body" of your "esteemed colleagues" to do so. Within the letter, I go into great detail of what a miserable human being you are who has harmed the lives of thousands for profit. For instance my letter to ACMT (and several others) states:

"Over the years I have heard Veritox, Inc. owners and affiliates referred to as 'snake oil salesmen', 'doubt-sellers', 'tobacco scientists', 'insurer-hired-guns'[76], 'front men of industry', 'environmental health hazards', 'defense whores' and 'criminals' possessing 'toxic clout. For good cause based on a decade-worth of irrefutable direct evidence, I find all of these characterizations to be true and accurate."

The letter will be posted on Katy's Exposure blog this evening. You may read it by searching the blog title "*American College of Medical Toxicology, Choose Wisely To Sunset Your Mold Statement*" or by putting the short link for the blog in a search engine . The short link: <http://wp.me/pLYPz-3VW>.

If there are any misstatements of facts about you or your ilk associated with Veritox, Inc. within the blog-posted letter, please let me know by providing direct, refuting evidence and I will correct it. In the meantime, although I have never said this to you before I say it to you now from the bottom of my heart:

"May your children rot in Hell for the crimes of their fathers and mothers condemning so many children to Hell here on earth."

Just kidding! Inside joke. I don't even know if you and your ilk at Veritox, Inc. even have any children to rot with you in Hell.

In the meantime, please direct your corrupt California licensed attorney, Keith Scheuer, to remove the tens of thousands of dollars liens that you and Veritox placed on my property by fraudulent means. Please let me know when they are removed. The evidence of the fraud is found as linked and attached exhibit in the enclosed letter.

Then please shut down Veritox, Inc. You and your corporation affiliates are crooks, liars, and deadly menaces to society. Thank you for your prompt attention to these matters.

Sincerely,

A handwritten signature in black ink that reads "Sharon Noonan Kramer". The signature is written in a cursive style with a long horizontal flourish at the end.

Mrs. Sharon Noonan Kramer
